

We send you verified renters.

First 2 free.

TrueCost publishes real Accra rent prices. Every week, renters ask us to match them to rooms — and we need trusted agents to receive them.

2 FREE renter introductions to start.

No signup fee · No commission on rent · You only ever pay if the matches keep coming.

HOW IT WORKS

1

You tell us your areas + room types on WhatsApp. Takes 2 minutes.

2

We send verified renters in your areas straight to your phone.

3

You close the deal and keep 100% of your commission.
